ADDENDUM TO PET SITTING SERVICE AGREEMENT OVERNIGHT STAYS

All Friends Pet Care provides overnight stays to clients with pets who cannot or should not stay at home alone overnight. Many pets prefer to have another warm body in the house at night, and many clients feel more secure with the additional level of security that an overnight stay offers.

The overnight stay fee of \$75 per night includes: an evening feeding, staying overnight, a morning feeding, and midday visit (if the job is to continue through that night; if not, the regular midday rate will apply). Due to the exclusive nature of overnight bookings, our sitters must decline all requests for overnights that coincide with the dates you have booked. Therefore, we require a 50% non-refundable deposit when you book an overnight; with the balance due at the start of the job.

Your pet sitter will depart each morning to complete her pet sitting rounds, returning to your home during the day as her schedule will allow. She will strive to spend as much time as possible during the day with your pet, using your home as her "home base." During a holiday season or any other particularly busy time, the time spent at your house may decrease, but will always include at least three visits/walks per day (morning, midday and evening).

Any additional requests may be discussed with your pet sitter, and will be considered on a case-by-case basis.

I, _____, have read, understand, and agree to these terms for overnight stays provided by All Friends Pet Care
