

# All Friends Monthly

APRIL 2026

*From our pack to yours,*

April is here, bringing warmer weather, blooming flowers, and plenty of fresh air for both pets and their people to enjoy. With the season also comes spring allergies, so keep an eye out for extra itching, sneezing, or paw licking in your pets and let us know if you notice any changes. We are loving the longer days and sunshine, and we are excited to keep your pets happy, comfortable, and cared for as we head into this beautiful time of year.

# MEET OUR PET SITTERS

My name is Dana and I started working for AFPC in 2012 when I went back to school for my Master's degree. I love visiting with all pets (especially cats but I have some great bird friends too!) as they are all so innocent and calming in nature (well my cats are not, but that's another story!) I live in Sterling with my husband and two cats, Turbo & Nitro.

I currently service just the Sterling area.

## Pet Care: Small Changes, Big Impact

# Let's save our earth

April is the perfect time to care for our pets while being kind to the Earth. At All Friends Pet Care, we celebrate small choices that protect the world our pets love to explore. Join us in exploring Eco-Friendly Habits to make a difference.

### **Eco-Friendly Habits**

- **Waste Wisely:** Use biodegradable or compostable bags to reduce plastic waste.
- **Eco-Litter:** Try litter made from wheat, corn, or pine.
- **Bulk Buying:** Purchase food in larger quantities to minimize packaging.
- **Conserve Water:** Use leftover pet water for your houseplants or garden

### **Sustainable Play**

- **Upcycled Fun:** Create toys and courses using cardboard boxes or old t-shirts.
- **Clean-Up Walks:** Pick up litter along your favorite trails during daily strolls.
- **Green Gardening:** Plant pet-safe herbs like parsley or catnip to improve air quality

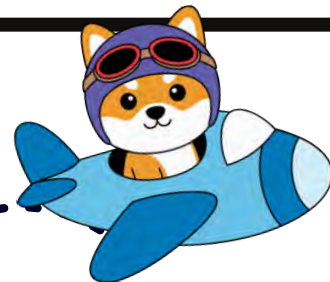

### **Mindful Giving**

- **Donate:** Give old blankets, beds, or unused food to local shelters.
- **Shop Ethical:** Support brands that use natural or recycled materials.
- **Natural Grooming:** Use eco-friendly shampoos to prevent chemical runoff.

**Every small step keeps tails wagging and our planet blooming!**

# Travel SEASON

SPRING AND SUMMER TRAVEL DATES ARE FILLING UP QUICKLY. IF YOU'RE PLANNING A TRIP, NOW IS THE BEST TIME TO BOOK PET SITTING TO SECURE YOUR SPOT AND AVOID LAST-MINUTE STRESS.

BOOKING EARLY ENSURES YOUR PETS STAY ON THEIR NORMAL ROUTINE AND YOU GET TO TRAVEL WITHOUT WORRYING ABOUT COVERAGE AT HOME.

**BOOK NOW**

## Pets & Allergies

Spring allergies don't just affect people - pets can experience them too. Increased pollen can lead to itching, paw licking, watery eyes, sneezing, or extra skin irritation in both dogs and cats.

During visits, we keep an eye out for any changes in comfort or behavior and make sure pets are staying clean, hydrated, and settled indoors when pollen counts are high.

If you notice ongoing symptoms, it's always a good idea to check in with your vet for guidance.

CELEBRATING OUR **28TH** ANNIVERSARY April 28th

1973 → 2025

Beth and Pam have shared a lifelong friendship, and for the past 28 years, they've turned that bond into something truly meaningful through All Friends Pet Care. What began as a shared love for animals has grown into a trusted, thriving business built on dedication and heart. Through every pet they've cared for, their commitment has remained constant. Celebrating 28 years of business - and a friendship that made it all possible.
